Half day plus

Company Fun days are an excellent way to entertain clients, reward loyal staff and also include and involve their families. With a wide range of activities available, we can design a complete package that provides something for everyone. Whether you're looking to create a relaxing and informal afternoon or a more structured activity day, our events will provide you with an event that is only limited by your imagination.

What's involved?

Our Company and Family Fun Day events are designed from scratch in order to provide your team with a tailor-made programme that suits your budget and interests.

These events can be run at suitable venues around the UK and Europe. Typical activity zones can include the following...

Motorised Zone - Honda Pilots, quad bikes, hovercraft, rally karts, argo karts, blind driving etc.

Country Pursuits - Duck herding, ferret racing, gun dogs, archery, laser clays, falconry etc.

Inflatables Zone - Human table football, bungee runs, beach volleyball, bouncy boxing etc.

Pamper Zone - Head massages, reiki, manicures, pedicures, facials, chillout areas etc.

Kid's Zone - face painting, balloon modelling, make & do, children's entertainers etc.

Games Zone - giant games, coconut shy, stocks, sidestalls, fairground rides etc.

In addition to a wide range of activity zones, we can also provide any necessary infra-structure items such as toilets, marquees, generators, fencing etc to ensure that every area is provided for, if required.

Our Company Fun Days are designed to provide you with a fully packaged event that not only meets your company's individual needs and budget, but ensures that you can sit back, relax and join in the fun with your colleagues.
